

GCC INCLUDED IN THE MSCI INDEXES

Chihuahua, Mexico, June 5, 2018— Grupo Cementos de Chihuahua, S.A.B. de C.V., or GCC, (BMV: GCC*) announces that its stock has been included for the first time in the MSCI family of stock indexes, effective June 1st. As a result, GCC* is now a component of such widely used benchmarks as the MSCI Mexico Small Cap, Emerging Markets (EM) Small Cap, EM Latin America IMI (Investable Market Index) Value Weighted, EM Latin America ex Brazil Small and Mid Cap Growth Indexes, among others.

About GCC

GCC is a leading supplier of cement, concrete, aggregates, and construction-related services in the United States and Mexico, with an annual cement production capacity of 5.1 million metric tons. Founded in 1941, the Company's shares are listed on the Mexican Stock Exchange under the ticker symbol GCC.

Forward Looking Statements

This press release may contain forward-looking statements. All statements that are not clearly historical in nature are forward-looking, and the words “anticipate,” “believe,” “expect,” “estimate,” “intend,” “project” and similar expressions are generally intended to identify forward-looking statements. These statements are subject to risks and uncertainties including, among others, changes in macroeconomic, political, governmental or business conditions in the markets where GCC operates; changes in interest rates, inflation rates and currency exchange rates; performance of the construction industry; pricing, business strategy, and other factors. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may differ materially from the beliefs, projections, and estimates described herein. GCC assumes no obligation to update the information contained in this press release.
